ABOUT THE WINEMAKER

Julien Fayard gained his knowledge and defined his core wine making style from working at grand Chateaux in France such as Lafite Rothschild and Smith Haut Laffite. In Napa Valley, he's worked alongside renowned wine maker Philippe Melka. He has come to be a Napa Valley veteran after many years of working with some of the most highly acclaimed and sought after wines from the Napa Valley. His philosophy is to produce wines that express pure, terroir-driven specificities and characteristics. He believes that as a winemaker, one doesn't control the wine but rather wine style is the result of a combination of soil, climate and vineyard management.
